Carlos

Jon Rauscher requested my help and I believe I will be working with/for him. Currently I will come in and work at my regular job until around 10 am and then go downstairs to work in the REOC until ? each day. I am not sure how long Jon will need me, I am guessing a week or less. I may also be asked to go to New Mexico and help with sampling. I will let you know more as learn more.

Thanks
